Subject: RFP 2019-08-001 – Office Furnishings for Kraft Hall Building

Questions & Answers

1. Can you please provide us the dimensions of the elevator?

R.

2. Is there a loading dock or will the furniture be brought thru the front doors?

R. There is no loading dock, so the vendor will need to enter through a “normal” door. For the upper floors, they will likely go through the main entry doors.

3. There are private office tagged on the drawings but no specification sheets. Do you want alternates priced for the offices?

R. The private office desks are matching existing and will not be priced in this furnishings package.
