Additional Information

Please submit a proposal understanding and addressing the issues noted above. Also understand that we have a limited budget for this project and are seeking the best value for dollars spent and not necessarily an exhaustive study or the lowest cost provider. We feel that a firm's broad and deep understanding of both higher education and the Houston market will be a consideration in the selection.

All proposal pages should be appropriately numbered and no proposal should be more than 15 pages. All responses, documents, terms, and information related to the proposer's response to this RFP shall be submitted with the response package prior to the submission deadline. No separate schedules, agreements, terms, conditions, etc. shall be recognized or accepted if not initially submitted with the response to this RFP. **Proposal responses and submittals shall be received by aeoo@rice.edu no later February 15, 2023.**

Please direct questions and electronic copies of your proposal to aeoo@rice.edu. Please do not call or contact any other Rice faculty or staff member directly about this project.
